Indian Village Neighborhood Celebrates 30 Years of Community Connection and Advocacy

LINCOLN, Nebraska - The Indian Village Neighborhood Association (IVNA) is excited to announce its annual meeting on March 12, 2024, at 7 p.m. The event will be held at the Irving Recreation Center (2010 Van Dorn St.)

Celebrating three decades of fostering connections among neighbors and advocating for neighborhood progress, IVNA invites all Indian Village residents to join in this milestone event. The evening promises a delightful gathering filled with snacks, camaraderie, and an engaging presentation by Dr. John P. Carroll, Professor of Wildlife Ecology and Management at the University of Nebraska-Lincoln.

Dr. Carroll's presentation will delve into the fascinating world of flying squirrels and their presence within the Indian Village Neighborhood, offering insights into these captivating creatures that inhabit our surroundings.

In addition to Dr. Carroll's presentation, we will also be drawing for a flying squirrel nesting box during the event. This special nesting box has been thoughtfully built and generously donated by Indian Village resident, Bill Alexander.

Membership in the neighborhood association is open to all residents who wish to actively contribute to the growth and betterment of the Indian Village community. While membership dues of \$20 per year are suggested to assist in covering operational costs,

they are entirely voluntary. Contributions from neighbors help sustain the association's efforts to enhance the quality of life in Indian Village.

IVNA is a volunteer-driven organization of passionate neighbors dedicated to promoting and engaging the neighborhood with activities like the annual block party, neighborhood-wide garage sale, and Fourth of July bike parade.

Join us on March 12, at Irving Recreation Center to celebrate 30 years of fostering a vibrant, connected community in Indian Village. Let's continue our journey together toward a thriving neighborhood.
